Strategic Solution Engineer | Global Accounts | Insurance Salesforce | Financial Services

April 2026 - Present
France

Salesforce, 2018–Present: \$35M+ Closed-Won ACV · \$30M+ Services · 330+ Deals · Chairman's Club

Moved into Financial Services and Insurance to lead solution strategy across Salesforce's most strategically significant relationships in the sector.

- Lead solution strategy for global Financial Services accounts, connecting executive transformation priorities with platform strategy and enterprise architecture
- Engage C-suite and senior technology leaders across complex, multi-stakeholder pursuits, applying MEDDPICC discipline throughout the deal cycle

Strategic Solution Engineer | Strategic Accounts

Feb 2022 - Apr 2026
France

Salesforce | Consumer Goods | Healthcare & Life Sciences

Global Solution Engineer across four strategic accounts: a leading global consumer goods and tobacco company, a major global pharmaceutical company, a leading global food and beverage company, and a leading global pet nutrition brand. Director-level responsibility for complex enterprise solution strategy across EMEA.

- Turned a red strategic account into a landmark \$25M enterprise agreement (SELA) at a leading global consumer goods and tobacco company through a two-year reset-and-renew strategy, orchestrating a cross-functional team across pre-sales, product and professional services from discovery through close, generating \$5.1M combined ACV and \$11M in services revenue
- Engaged C-suite (CEOs, CIOs, Chief Supply Chain Officers) across a portfolio of strategic accounts simultaneously, translating platform capability into board-level investment decisions
- Built and sustained technical champions who drove internal advocacy and shortened decision cycles through complex procurement

Principal Presales Consultant

Jun 2018 - Feb 2022

Salesforce | Consumer Goods

London, UK

- Built cross-functional teams to develop, validate, and execute sales motions for the UK Consumer Goods industry, leading to significant revenue growth
- Created a value selling framework adopted as the go-to-market rhythm for Enterprise accounts, enabling 60+ people including Regional Vice Presidents, Account Executives, and Solution Engineers through structured workshops
- Developed and delivered multiple industry go-to-market motions including practitioner training, innovation programmes, and solution engineering competency frameworks
- Led executive engagement strategy for consumer goods companies, generating \$20M+ in qualified pipeline across 35+ customer accounts

Pre-Sales Consultant to Principal Strategic Accounts Lead

Jan 2013 - May 2018

BMC Software

UK / North EMEA

\$20M+ ACV · \$14M new-business licence revenue in single year · 200+ deals · 3 promotions in 4 years

- Strategic Accounts Pre-Sales Lead across full BMC portfolio for a worldwide team, focused on value architecture, MEDDPICC, and champion building
- Led multi-million-dollar telecom win tied to £1M per day in customer savings on a government contract
- Created multi-cloud strategic whiteboard and worldwide benchmarking program adopted into global sales enablement
- EMEA Consultant of the Year (2016) · EMEA ITSM Pre-Sales of the Year (2014)

Earlier Career: Technical Consultant, FrontRange Solutions (2011-2013) | Technical Consultant, Prior Analytics (2007-2011).
